

Example Citations:

The key thing is to be consistent and give accurate information so that anyone reading your document can find the citation. As of right now, they can be within the document (at the bottom of the page) or at the end of the document under the heading of references. Also, use consecutive number for each unique reference.

Examples of citations are:

Cleland, W. W.; Kreevoy, M. M. *Science* **1994**, *264*, 1887-1890.

Gerlt, J. A.; Gassman, P. G. *J. Am. Chem. Soc.* **1993**, *115*, 11552-11568.
